The Lyell Collection

One of the largest integrated collections of online Earth science literature in the world

What is the Lyell Collection?

The Lyell Collection is an online collection comprising the Society's journal titles, Special Publications and key book series. Cutting edge science sits alongside important historical material, benefiting from the extensive functionality of HighWire press.

With 260,000 peer-reviewed pages, 26,000 articles and 1,000 volumes, the Lyell Collection is an invaluable tool for the researcher and student alike.

- Full text in HTML and PDF format
- Actively linking to cited references
- Free public access to alerts, search functions and abstracts
- Selected articles free online
- Hosted by Highwire Press
- New from 2013 includes Transactions of the Edinburgh Geological Society and Transactions of the Geological Society of Glasgow.

Special Publication archives

The first 300 volumes of the Geological Society's Special Publications Online Archive are available as a one-off purchase with perpetual access. Prices for the complete 300 volume online archive include a 10% discount.

The Geological Society

The Geological Society of London was founded in 1807 and is the UK national society for geosciences, with over 10,500 members. It is a global leader in Earth science publishing, dedicated to providing a high-quality service throughout the world.

Geofacets is a web-based research tool developed for geoscientists working in upstream exploration. Elsevier and the Geological Society of London joined together to provide access to an extensive database of over 190 000 geological maps from Elsevier's Earth science journals and the GSL's **Lyell Collection**. Its unique interface delivers relevant and high quality content for geoscientists working in the early stages of upstream exploration to assess a region's or basin's geological characteristics.

- Intuitive map-based search features
- Over 115 000 maps downloadable as georeferenced files
- Seamless integration with GIS and other software

Geofacets recently won the award for best Education/Industry Partnership at the 2012 Getenergy awards ceremony.
